- October to December (Period 4)

A completed form must be submitted to the Authority by the last day of the month preceding the end of each reporting period.

Member Insights: Mr. Shevon Williams

The SMRI is beneficial through the JSEZA's Sustain-a-Livity Framework. It impacts the client and nation through 4 main pillars: Social, Economic, Environmental and Governance. The SRMI encourages clients to monitor training given to staff, encourages research programmes, promotes the use of renewable energy systems and encourages local and international alignment of documents and certifications.
